## **SCHOOL STATEMENT**

### **HOLY CROSS TRUST'S**

The Holy Cross High School is a co-educational Christian Catholic minority institution imparting education for the all round development of boys and girls irrespective of their community, religion, caste, creed or colour in order that the values of human dignity and equality are enshrined in the heart of the children, so that they may grow up to be true citizens and help to build a modern democratic society.

### **VISION AND MOTTO**

"SOPHIA EST DIVINE" which means 'Wisdom is divine' is the motto of Holy Cross. The School wishes to bring out the best in the child by believing in its specialness and embracing God in its true spirit.

HOLY CROSS Co-Ed High School International (SEMI MILITARY SCHOOL) is the brain child of the Regd. Holy Cross Trust's brain trust headed by the academic acme and English Grammarian James Thomas Peechaatt - whose 'Essential English Grammar & Composition, published by 'Holy Faith International' has replaced the time-worn 'Wren & Martin. Mr. Peechaatt's masterpiece has earned the eulogies from the intellectual intelligentsia from India and European Countries. Some of those who acclaimed and acknowledged Peechaatt's literary task include Mr. Tony Blair; the British Prime Minister, Mr. Bill Clinton; the Former American President, His Holiness Pope John Paul II - Vatican, Italy, Former Mumbai University Vice Chancellor Dr. (Mrs.) Snehalata S. Deshmukh, Mr. Dilip Padgaonkar, 'The Times of India' Executive Editor, apart from accolades from Principals of the most reputed Schools, Colleges and universities in India and abroad.

Mr. Peechaatt who himself studied in a very reputed residential school 'DON BOSCO' - Bandel Church, Hoogly - Calcutta has rendered 32 years service as the Principal of Holy Cross High School & Junior College and still shoulders the responsibility as the Principal of Holy Cross High School. He has also been awarded 'The Mira-Bhayandar Bhushan 2002' and 'Shikha Gaurav 2003'.

The literary career and achievements of Mr. Peechaatt have been highlighted in leading news papers like, The Times of India, Bombay Times, Maharashtra Times, Kala Kaumudi, Free Press Journal, Gujarat Samachar etc.

The vision, sagacity, acumen and alacrity can allure and appease even the arrant and apathetic children ardent so that propensity to become prodigies develop, nurture and flourish.

### **DISCIPLINE AND TRAINING FOR DEMOCRACY**

Discipline is a vital factor in a school and also in every walk of life. This is sought to be inculcated by teaching and through example. The

institution trains the children in maintaining discipline and thereby helps them to be well-behaved, within and without the school premises and be law-abiding members of the community. It is the desire of this institution to inculcate in the students the traits of effective leadership and also train them to respect the feelings and opinions of others and live in harmony.

Dear Parents,

HOLY CROSS HIGH SCHOOL fraternity welcomes you to be a part of the prestigious HOLY CROSS family. We are sure your ward will enjoy the warmth and sagacity throughout his/her stay in the school. We would like to mention here some important points, which are required to be complied with:-

Please intimate the school authorities in writing in case of any changes in your residential address, telephone nos. etc. with a photocopy of the proof of residence duly self-attested so as to avoid any communication gap in case of an emergency that may happen during the school hours.

Please intimate in writing the loss/ damage of Students' Identity Card immediately along with its cost for issuing a duplicate one.

Due to safety and security concerns, students will not be allowed to enter the school premises 15 minutes prior to the stipulated school timings or stay any longer than 15 minutes after the dispersal. Parents are advised to make their arrangements accordingly. Outside the school gates/ premises, it is the parent's responsibility to ensure the safety of their ward(s).

While picking up of student(s) from the school, the students are required to show/ produce the I-Cards issued by the school authorities to the security staff and in case any other member of the family desires to pick a student from the school, he/ she will also be required to show/ produce I-Card issued by the school authorities having his/ her photo or authority letter on behalf of the parent of the concerned student(s).

Late arrival to school is not allowed and in case of repeated late arrivals, defaulting students will not be allowed to attend the school for that day as it hampers the discipline & decorum of the school.

During the school hours, parents will not be allowed to roam inside the school premises. Kindly adhere to all the safety norms and checks put in place by the school security staff.

The school authorities will take all necessary care and precautions to safeguard the students. However, the school authorities will not be responsible for any mishap beyond their control inside the school premises. This applies not only at the school premises but also on school excursions, outings, picnics, camps, etc.

The school fee or any other dues must be submitted within the stipulated time schedule, else it leads to unnecessary wastage of time in giving reminders/ telephone calls. Please follow the deadlines.

For fruitful collaboration, please make it a point to attend all the PEMs and other meetings whenever called for. As a respectable equal partner in your child's education, parents are expected to visit the school, dressed up formally and smartly & participate in all activities of the school, whole-heartedly. Your suggestions & inputs are always welcome.

Being cultured and well-mannered holds the place of prime importance in the HOLY CROSS Philosophy. Please be our true partners in ensuring that your ward is always courteous and respectful towards elders, caring and loving towards juniors and empathetic/ sensitive towards all.

Students' involvement in physical, mental, or emotional violence or use of abusive/ foul language, will not be acceptable at all leading to suspension or rustication.

All photographs, videos, or publications of the students of HOLY CROSS produced/ clicked during school activities- curricular, extracurricular, or co-curricular shall be school's intellectual property and the school shall have all rights to use them in school's publications and promotions, etc. The parents shall have no claim whatsoever on such articles.

The school will require a minimum period of 10 working days from the date of receipt of any request/ application from the parent(s) so as to process the same.
